

**Thank you** for taking time to give us your comments and help shape the future of this project. Completed forms may be returned to the address listed on the other side, or given to a staff member. Comments also may be emailed to [feedback@columbiarivercrossing.org](mailto:feedback@columbiarivercrossing.org). Please provide comments by **April 20, 2006**.

---

**The Columbia River Crossing project is recommending that nine crossing ideas and six transit ideas be further evaluated and packaged with other items such as bike/pedestrian solutions, freight movement, and highway improvements. Do you agree with the staff recommendation?  Yes  No**  
**If no, please tell us how to improve the recommendation.**

**In the next two years, the project team will consider a number of factors as we develop project alternatives. These include items such as interchange locations, air quality, noise, neighborhood connectivity, aesthetics, land use, community livability, cultural and water resources. What additional issues should the Columbia River Crossing project consider?**
