

Columbia River CROSSING

Help us Connect with You!

Please take a few minutes to answer these questions. They will ensure we do a better job of getting project information to you in the future.

What persons and/or organizations (newsletters, radio, neighborhood fliers, church papers, etc.) do you trust to get information about community issues or events from? Please give names of specific persons and/or organizations.

What people and/or organizations (newsletters, radio, neighborhood fliers, church papers, etc.) do you typically provide information to about community issues or events? Please give names of specific people and/or organizations.

What persons and/or organizations do you consider to be friends of your organization and your community? (By "friends" we mean you can rely on them for support, whether it is financial, material, or other.) Please give names of specific persons and/or organizations. What forms of support do you receive from them?

What persons and/or organizations do you provide support (financial, material, or other) to? Please give names of specific persons and/or organizations. Could you tell me what forms of support you give to them?

What is the best way to involve your community(ies) in this project? Please identify your community(ies) of affiliation and specify which venues and community events would be most effective for outreach and input for each community you belong to.
